SPRING 2010

## HERITAGE/TOURISM WEEK SPRING KICKOFF

**M**ay 1 thru 14 will combine both preservation and Tourism weeks with a flurry of activity at the “Dheinsville Settlement” in Germantown:

Beginning with the first **Saturday, May 1, 2010** the traditional Sabbath Bell – Ringing in the Christ Church will continue for a favorite beginning of the day of rest for farmers in the fields surrounding the historic church. Elmore Kraemer donated a CD to the newly organized society in 1975, which is used to hire a Bell-ringer each year to continue the tradition. A wine and cheese hour from 4 to 5 pm precedes the ringing.

The following **Wednesday, May 5, 2010** the Bast Bell Museum will open their “Koffee Haus” to all visitors from 1 to 4 pm – including a 2 pm presentation of a special bell from the 5000+ colluctation. Special bakery and gourmet coffee are included in your admission to the museum. Adults \$6, Seniors \$5, Children 5-12 \$2.

On **Thursday and Friday, May 6 and 7, 2010**, a one-hour re-enactment walking tour of ten of the pre-civil war buildings in Dheinsville will feature the year 1862. When the Limestone Church was built. Students will “follow the footsteps of the early settlers who tell their stories at the old buildings which still stand in the hamlet. Hours are 9 am to 12 or 1 to 3 pm. Reservations were taken for school tours. If adults would like to attend, please call 262-251-6378 or 262-628-3170.

## WE NEED YOUR PHOTOS!

We are very much in need of photos to COPY from the 1930's onward for our **SECOND HISTORY OF GERMANTOWN BOOK**. You have taken and saved photos of your family in Germantown as it has grown to the village it is now. You have stories to tell of the rich history of our community.

We need you to share these for future generations.

*William Gay & Irene Blau*

Irene Blau and William Gay continue working once a week on a historical timeline of Germantown which will coincide with the second book.

Please think of what you might contribute to such a book, and search those photos which document how life has changed the last 70 years and stop in or call 262-628-3170 to have them copied.

## CHURCH IS CLEAN & MUSEUMS ORGANIZED!

THANKS TO HELP FROM  
LOCAL HIGH SCHOOL STUDENTS

*Nick Dhein, Nate Dunn, Nicole Nash, Alyson Stadler, Jake Schwefel, Hanah Bowe. Not pictured: Jennifer Niggemeier, Abby Nash, Emily Heimenz*

These awesome high schoolers helped clean the Germantown Historical Society three museums for 6 hours last Saturday!

Donuts and pizza was just a small thank you for all their time. They were running items between the three museums and the summer kitchen, up and down the stairs to help reorganize where items were going to be kept to run more efficiently. They helped the adult volunteers immensely!

We are excited to utilize the balcony of the Bell Museum in a more effective way and we are looking forward to bringing high speed internet to the Germantown Historical Society which we desperately need in order to get event and museum information to the public.

# Annual Update

## ANNUAL UPDATE OF THE SOCIETY

The 2010 annual open house and meeting was on Saturday, April 17, 2010 at the Christ Church Museum. The board of directors and several other people including our resident genealogist were in attendance. ## CHRISTMAS IN DHEINSVILLE

We had an incredible turnout for our "Christmas in Dheinsville" at the Christ Church. Special thanks to Linda Wall, Germantown High School German Teacher for partnering with us again this year. Her third and fourth year German students along with grade school children participated. Linda had gone to the grade schools and taught the children a few songs in German. We could have not have done it without her support.

# Project Updates

## EXHIBIT RENOVATION PROGRESS REPORT

### CURRENT PROGRESS:

We are looking for suggestions and assistance of ongoing plans for restoration of the church.

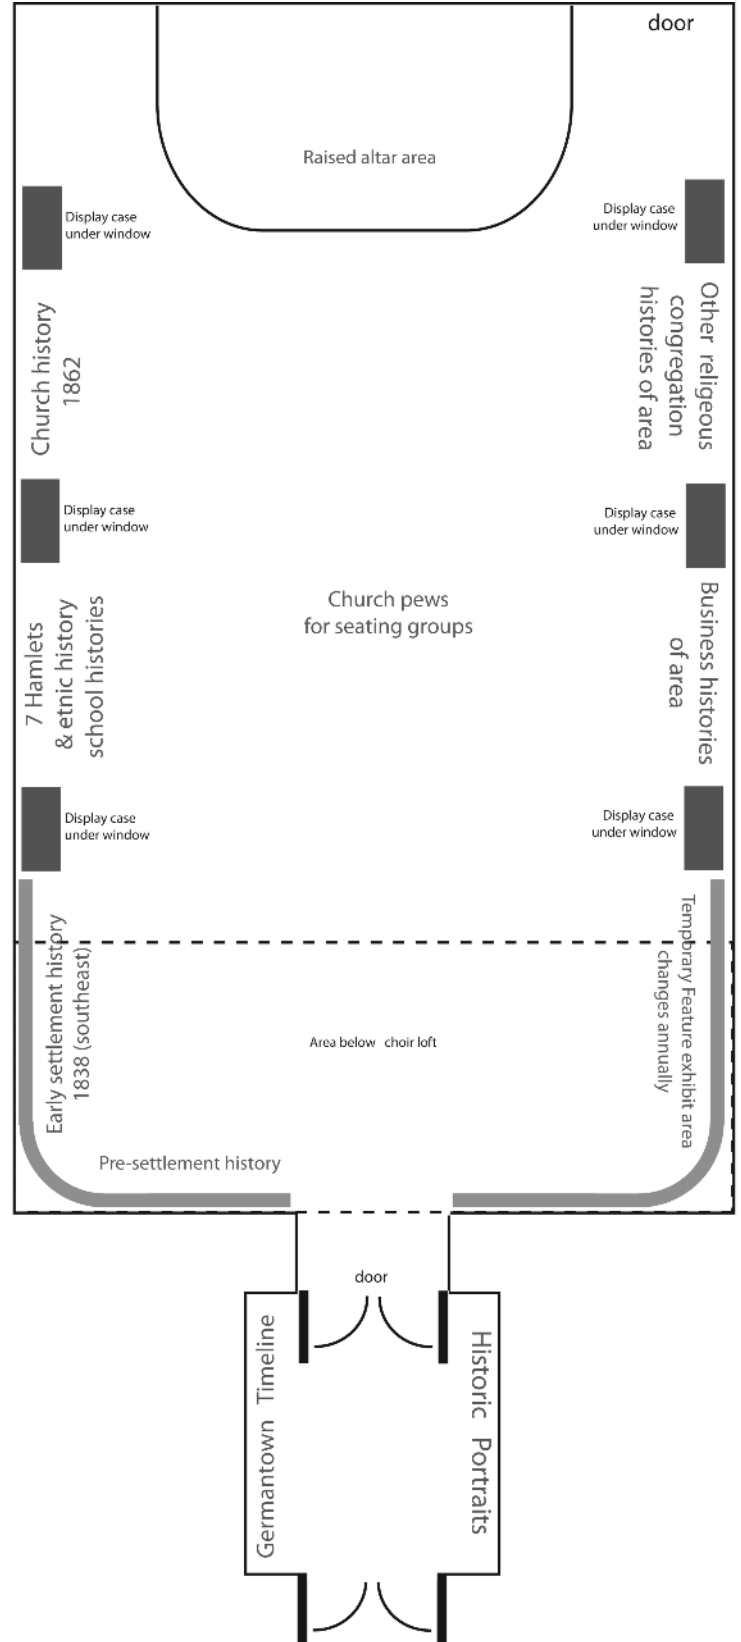

- The historic items and photos currently in the church will be labeled with the proper historic information before rearranging.
- Irene's biography and honor is being written and materials investigated.
- Quotes are being collected on the wood display cases. Specific drawings have been designed to accommodate wheel chair accessible visibility of items and air circulation.

## IN THE NEXT ISSUE!

### MEET OUR PART TIME MUSEUM DIRECTOR & PUBLIC RELATIONS SPECIALIST - Jane Riley Best

Kevin Nash, Jeff Dhein & Peggy Bast have been busy sorting through the 35+ resumes we received for this position! They have interviewed and hired a part-time museum director for the season, who will report to the board of directors. Irene, Eileen, Gordon & Judy will be involved in her training of our local history! Stop by after May 1st and meet her! Share any historic information about our area so they can better assist our visitors!

We also have two German students, Jaymee Dhein and Nikki Hug who will be working in the Christ Church of Local History or Wolf Haus Genealogy on Sundays! Irene will still be stopping by too. If you are available to volunteer a few hours Wed, Sundays or anytime, please call. Genealogy and the Church Museum could use volunteers.

We have moved the society office and meeting area from the Wolf Haus to the upstairs of the Bast Bell Museum to more efficiently coordinate tours and weekly office tasks.

The Wolf Haus will continue to host the Jeffris Genealogy Research Center.
